St John Bosco

This weeks Gospel message:

Parents often classify themselves as Marys or Marthas. The demands of caring for a family while earning a living outside the home, makes a Martha out of most of us whether that's what we want to be or not. We really have to concentrate on being Mary not only in our attentiveness to God but in our relationships with our families and friends. Sometimes we have to schedule time to relax and just 'be' with one another. 'Being' is often more wise, more healthy, and more loving than 'doing'.

much appreciated, so please
do call if you can help.

Walk to church Sunday:

This weekend is **WALK TO CHURCH
SUNDAY** and also includes the Vigil on
Saturday. Thank you to everyone who
is taking part. It is most important that
everyone who has walked or cycled (even
if this is their normal routine) puts their
name on the sign-up sheet; we want to
impress the PM with our numbers.
A draft of the letter to the PM is beside
the poster. Please take part by praying for the
success of this effort, for the sake of people in
poor countries whose livelihood and more is
being destroyed by global warming.
