Data Protection Statement

In order to comply with the Data Protection Act 1998, it is essential that we have "informed consent" from all whose data is held.

The information you supply will be used to update the Parish Register. This information helps the parish in its work in the community to provide a better service to its parishioners. It will be stored in an electronic and/or manual database, which will be updated every five years and will be held for as long as necessary. It will be destroyed when the information is no longer required.

- This data will be securely maintained in accordance with the Act and will not be passed or sold to any other organisation.
- Access to the information will be restricted to the Parish Priest and lay people authorised by him.

Completing this card and returning it will be viewed as "INFORMED CONSENT" for your details to be stored on our parish register. If you do not opt in, your name will be removed from our list.

Please sign below as consent to the parish holding the information as described.
