Thought for the week

The feast of the Most Holy Trinity is a mystery and a mystery is precisely something that one does not fully understand. This does not mean that we are unable to express anything at all concerning this reality; on the contrary, we are able, thanks to what Jesus told us, to describe this mystery a little and to grasp it through comparisons and images. He also tells us that he and the Father are one and he will

send the Spirit on the Apostles who will counsel and guide them in the mission. Our faith tells us that these three persons are indeed distinct and yet together. With two such great gifts from God as His Son and Holy Spirit we may give Him the Glory in the familial words which surround so many of our prayers and aspirations:

Pastoral Area trip to Walsingham

Pastoral Area Trip to Walsingham from Christ The King Parish: On Tue 5th July we are hoping to organise a trip to Walsingham, but we first need to establish who might be interested. You might remember that 2/3 years ago Fr. Bruce organised this same trip and it was

very successful. Depending on numbers the cost for the coach would be either £14.00 or £22.00. We would leave Christ the King car park between 7-7:30 am and arrive in Walsingham in plenty of time to attend Mass at 11:30am. We could aim to be back at Christ the King between 7-7:30pm. After

Mass we can visit the Shrine of Our Lady.....As time is ticking by would you please sign the sheet at the back of church if you are interested so that we can start organizing properly. For more details please contact Fr Patrick Madden at Christ The King: clk.p parish@btopenworld.com 0118 931 44 69

Until the early 1960s, Mass was celebrated in Latin throughout the world. At the Second Vatican Council (1962-5), the bishops of the world agreed that Mass could be said in the language of the country in which it was being celebrated. This would enable people to understand more fully what was being said and help them to participate more fully. In 1970 Pope Paul VI agreed the official Latin text that would be used for the Mass, which was then translated into different languages. An English translation was made available as quickly as possible, but it was intended to be temporary. We have been using this 'temporary' translation for some 40 years! From September, we will be using a new, more 'considered', translation.
